### Headteacher's Message

Dear Parents/ Carers,

As we approach the end of what has been a very strange and unusual academic year please find listed the staffing arrangements for the new academic year 2020-2021.

Spring Grove is a school that values and is excited about reading and books. I would like to see our children read and read. I would like to see them full of passion and enthusiasm about a wide range of writers and genres. To encourage this all of the classes for next year have been named after authors. The staff will be doing work with the children on their class author and finding out all about them. In the meantime, it might be an enjoyable home activity to research with your child their class name and make a list of books written by their author.

The last day of the summer term for all children is Tuesday 21st July. School will close that day at 1.30pm.

The first day of the Autumn Term will be Monday 7th September. The staff will be in school from Wednesday 2nd September involved in training and also preparations for the full reopening of school.

Once I have had the opportunity to digest the guidance sent out from central government to all head teachers I will be confirm our arrangements for September. We will do all that we can to have all of the children back in school for all of the time. At this stage of the school year we would usually offer the children a transition day so that they could spend time in their new classroom with their new teacher. Whilst we are unable to offer such an event this year, we are looking to do something via Google Classroom. Details will follow over the next few days.

As always, thank you for all that you are doing to support the children at home – I know that it can be challenging – we really appreciate all that you are doing.

Best Wishes  
Mrs Colley

YEAR 6 'LOCKDOWN LEAVERS'

### Goodbyes & Welcomes

At the end of this term we will say goodbye to Mr Kendall and Ms Mouton. We would like to thank them for all of their hard work and wish them all the best for the future. We will miss you.

Also leaving but not until the end of October will be Ms Proctor who is returning home to Kent. From September, Ms Proctor will not be assigned to a particular class but will be working on a number of different projects and supporting specific groups of pupils.

We welcome back Mrs Khan from her maternity leave.

Next term we will be welcoming two new teachers. Mrs Jasavala will be joining us and sharing the teaching of one of the year 4 classes with Mrs Nixon. We will also be joined by Ms Wolfendale and she will take the year 3 class.

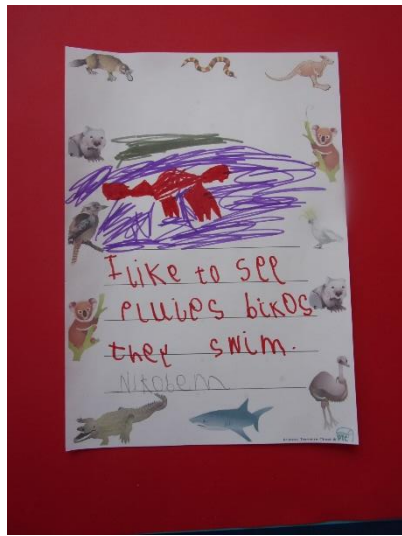

By Rassul – Reception

### END OF YEAR PUPIL REPORTS

End of year pupil reports will be emailed to you during next week.
